

Mayor Paterson's Community Update

moving our community forward together

February 2016

Top Stories

Towards a Green Economy

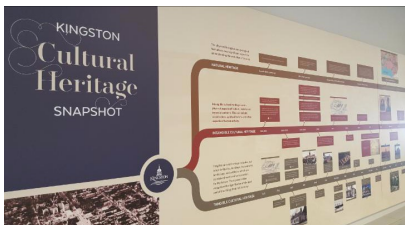

One of the most exciting areas of innovation I see emerging in our community are the strategies and technologies aimed at creating a green economy. To be a smart and livable city we need to reduce greenhouse gas (GHG) emissions...[Read more here](#)

From the Mayor's Chair

February 17 council meeting

I break down the decisions of Council in three minutes or less.
