

Mayor Paterson's Community Update

moving our community forward together

May 2016

In this month's newsletter I provide an update on recently announced VIA Rail upgrades to Kingston service, the North King's Town visioning exercise and a preview of the upcoming youth employment strategy.

Be sure to check out my post on the opening of Kingston Penitentiary for tours this summer, a great way to allow residents a glimpse inside the walls as we head into a community visioning exercise for the future of the site and neighbouring Portsmouth Olympic Harbour.

I look forward to connecting with you on these and other city business as I make my way around the community through the new outreach initiative #MayorChats

Until next month,
Bryan
