

Mayor Paterson's Community Update

moving our community forward together

July 2016

In this month's newsletter I provide an update on the city's plan to celebrate The Hip on August 20, next steps in the KEDCO review process, progress being made on the Third Crossing preliminary design, work to advance the supply of affordable housing, and the new temporary home for the Marine Museum.

I look forward to connecting with you on these topics and other city business. Look for me throughout the community with my outreach initiative #MayorChats, connect with me on twitter @MayorPaterson or send me an email mayor@cityofkingston.ca

Until next month,
Bryan
