

Mayor Paterson's Community Update

moving our community forward together

June 2016

In this month's newsletter I provide an update on recently released KEDCO Review Committee report and final zoning approval for a new Wal-Mart in the city's North End.

Be sure to check out my post on the new Third Crossing video to help keep Kingstonians engaged in what is the largest infrastructure project ever considered for our community.

I look forward to connecting with you on these topics and other city business. Look for me throughout the community with my outreach initiative #MayorChats , connect with me on twitter @MayorPaterson or send me an email mayor@cityofkingston.ca

Until next month,
Bryan
